

**Our Mission:**

Empowering people to discover their directions for life in a changing world

**Director of Nursing**

Southeastern Directions for Life has an immediate opening for a full-time Director of Nursing.

**Job Summary:** Supervise and coordinate the nursing and medical services of Southeastern facilities along with providing nursing/medical services to SBH clients. Supervise assigned nursing staff including: scheduling, training, and evaluations. Serve as the liaison between Southeastern staff and providers. Programs within SBH operates on a 24 hour, 365 day schedule; this position requires availability to meet the needs of this schedule.

**Qualifications:** Minimum of BSN and 3 years experience with demonstrated experience, skill and competence in working with all areas of psychiatric nursing; management experience preferred. Have ability to work cooperatively with other mental health professionals. Demonstrated ability in program development and implementation. Must have a valid driver's license, and good driving record acceptable to Southeastern's insurance provider.

Candidate must have a strong commitment to the right and ability of children and adults with mental illness and enable access to helpful, adequate, competent and continuous supports and services. Skills and competence to establish supportive, trusting relationships with persons with severe mental illness and respect for client's rights and personal preferences in treatment are essential.

Drug screening required.
